TUCK'S POST CARD

CARTE POSTALE

POSTKARTE

By Appointment.

The Barbican. Once the heart of the old city, this is now the central fish market and quay of Plymouth. Few ruins remain to show that this quarter once had a castle of its own, but its quaint old houses look over famous Sutton Pool, whence Drake took ship against the Spanish Armada, and any street-lounger will point out to the inquirer the inscription that commemorates the sailing of the *Mayflower* in 1620.

(FOR ADDRESS ONLY.)

Printed in England.

Raphael Tuck & Sons' "OILETTE" "PLYMOUTH." Series III. [Regd.] *Postcard* 7507.
ART PUBLISHERS TO THEIR MAJESTIES HE KING & QUEEN.
After the original painting by H. B. WIMBUSH.
